### Hot Water Vaporizer Danger

A family bought a hot water vaporizer advertised as tipproof, foolproof and safe. They placed it on a stool, plugged it in and waited for the steam to rise. While it was steaming, their 3 year old daughter caught herself in its electric cord. The vaporizer tipped and spilled scalding water onto the child. She will bear the scars all her life.

The problem is that most hot water vaporizers bring the water temperature up to 212 degrees. Water will scald at 145 degrees and produce third-degree burns at 180. Following studies in this area, Underwriters' Laboratories, watchdog of electrical product safety, revised its standards so that effective July 1972, the water temperature was reduced to 130 degrees maximum.

For what it's worth, medical authorities say that cool-mist vaporizers which do not rely on hot water, are quite as effective and safer than hot ones.

## Steve Poole Stars In Dixie Youth Baseball

Steve Poole, 12 year old son of Mr. and Mrs. A. T. Poole of Appomattox, this year was one of the top players in the Appomattox County Dixie Youth Baseball program. Steve was a key factor this season in leading the "Giants" to a first place finish in the regular season standings with a 13-3 record. He lead his team in batting with a .683 average, including 7 home runs while playing centerfield and pitching for the "Giants".

Another highlight of the regular season for Steve was a no-hitter pitched against the second place team.

Steve was unanimously chosen to the Appomattox County Dixie Youth All Star Team which went on to win the District Six Title by eliminating Charlotte Court House, Rustburg, Buckingham, Brookneal, and Amherst teams. Steve continued to lead his team throughout the District Tournament with a .538 batting average and 3 home runs.

The All Stars then proceeded to the State Tournament where Steve continued to lead his team in a try for the State Title. Eight teams were playing in the State Tournament.

Appomattox was eliminated after playing four games.

In the first State Tourney game against Patrick County, Steve was 3 for 3, all three hits being home runs and tying a State record for most home runs hit in one game in a State Tournament. He hit a total of six home runs and tied another State record for most home runs hit in a State Tournament.

Steve's record speaks for itself - he was truly an outstanding softball player during the season.

## Alumni Football Game Ready For Friday Night

Coach Gordon Bragg suggests that you select your favorite player and/or team and come on out to Bragg Stadium Friday night for the annual alumni football game.

The practice field at ACHS has produced some familiar sounds the past two weeks as Coach Bragg ran the boys through their drills in preparation for the August 13 contest.

Tommy O'Brien's team will be trying to duplicate last year's 12-0 victory, but Mike George and company are confident that this is their year to win!

Al Sears and Mac Weaver will alternate at quarterback position for the EVEN Team while Bobby Layne and Robert Williams will call signals for the ODD Team. Regardless of the final score, these boys would like to see all seats filled. They promise you will be entertained!
